

Linear Air Expands New York Offerings

By: Deidre Woollard

Air taxi service [Linear Air](#) has announced the launch of its Eclipse E500 flight service in the greater New York City area. The company's aircraft are based at the White Plains/Westchester County Airport in New York, but will be servicing major and regional airports throughout the tri-state region as well as the Northeast and mid-Atlantic. Linear Air serves 10 times more airports than the traditional commercial airlines serve. The Eclipse 500 is a very light jet which only holds a few passengers so to take your whole entourage to Cape Cod for the weekend you'll need to opt for their eight-passenger Cessna Grand Caravan turboprop. . In order to price out an book flights you need to become a member of Linear Air's service.
